## Swimmers Going Away

If a swimmer is not available to swim in a meet or will miss several practices or if a parent is unavailable to volunteer, please complete this form and return it to the Team Rep (in person or via hanging mailbox) or Coach Julie.

Based on information from this form, there will be a list posted by meet indicating which swimmers will not be available to swim that day. Please check and update the lists, as needed. This will help coaches develop the A-meet line-up and allow more swimmers a chance to participate in a Saturday A-meet.

Draw a line through the dates a swimmer is unavailable (e.g., ~~Swimmer's Name~~) on the calendars below. We will assume the parent(s) is/are also unavailable for those dates unless otherwise indicated. This will help in scheduling swimmers and parental assistance. Please update this information throughout the summer.
