

2007 LRR Stingrays Need Your Help!!

Little Rocky Run Stingrays depend on family support and lots of it! In addition to coaching staff, “**parent-power,**” drives the Stingrays. It takes over 50 volunteers to put one swimmer in the water for one meet. We have been fortunate to have such dedicated parent volunteers.

In addition to running the meets, there is a concession stand to operate, special events to organize and numerous administrative tasks to perform. Except for some meet officials, most activities requiring volunteer help do not require training or experience. Swim team activities take place on various days and times (in addition to weekly scheduled meets on Saturdays and Mondays, and time trials on Tuesdays).

Similar to last year – As part of registration this year we will ask that you sign up for at least five separate dates for “Meet Operation” duties and one Special Event activity, so please bring your summer calendars!!!

When you turn in your registration form and check, you will also turn in your volunteer registration form (see attachment), with a list of your preferences. If you can't make the team meeting, you can turn in your registration form and check at the two other registration / swim suit try on dates of May 19 (9:00-12:00) and May 23 (6:30-8:30), both at Pool 2. **Fill in the Meet Operations section to indicate which dates you are available and the position(s) that you would prefer to work. Additionally, we need you to fill out the Special Events section and list the events that you would prefer to help with. Add any comments that would help the coordinators make specific assignments.**

Activity Rosters to remind everyone who is assigned to duties will be posted weekly on Wednesday during the season on the swim team bulletin board at pool 2. A reminder email will also be sent to those individuals. If you miss an event you signed up for, we will post that as well and ask you to choose another event to volunteer for. ***Should a conflict arise once the volunteer schedule has been established, it is your responsibility to find a replacement and to notify one of the following volunteer coordinators of the change.***
