

A Bit of Relay Carnival History

In 1963, the first NVSL Relay Carnival was held. All relays were 100's except that the Mixed Age Free Relays and the 15-17 Free Relays were both 200's.

In 1965, the 13-14 Free and Medley Relays both became 200's as did the 15-17 Medley.

In 1967, each Division held a Relay Carnival and the NVSL Relay Carnival became the All-Star Relay Carnival.

In 1980, Modified Medley Relays were added to Relay Carnivals for 8 & U's. Previously they had only swum Free Relays.

In 2012 when 8 & U Fly became a stroke swum at team meets, the Modified Medleys at Relay Carnivals became "regular" Medley Relays.
