

2019 NVSL B-Meet Match Maker Procedures

The NVSL Automation committee wishes to thank Bev Enochs of Sleepy Hollow Bath and Racquet for developing this utility to allow teams to find competitors for B-Meets.

Overview.

This utility collects information from teams looking to find partners for B-Meets during the Summer of 2019. The information from the form is then published to an Excel spreadsheet, which can be viewed to identify other teams also looking for B-Meet partners. Armed with the schedules and contact information for the other teams, the Team Reps can then contact each other to work out the details. Team Reps can revisit the spreadsheet results as more teams complete the form.

The spreadsheet will have editing access, so reps can update a week or simply submit a new form. We will check the form for duplicates periodically to clean up.

Process

Step 1. Fill out the availability form here [B-Meet Match Maker Form](#).

Step 2. After submitting the form, you are provided a link to the spreadsheet with the responses from all teams. Bookmark the spreadsheet link and review the responses to find suitable partners.

Step 3. Contact other teams to work out the details.

Step 4. If you need to go back to spreadsheet, the link for 2019 is:

(after clicking, wait a few moments for the spreadsheet conversion & download)
